

## **THE CIRCUS**

**Genre:** Children and family theater

**Age:** 3 years and more

**Language :** Spanish (original) and English

**Puppet technique:** Strings, actors are behind the big top (tent) of the circus and one actor in front of the public acts as master of ceremonies.

**Running time:** 50 minutes – 1 hour

**Number of actors:** 3

**Crew:** 1

### **Phrase:**

A halo of music, color and joy frames the likeable occurrences, surprising skills and tender emotions of the old art of juggling at the circus.

13 marionettes and an actor bring you the color, vitality and happiness which is produced when the tent goes up and the circus opens its doors.

### **SYNOPSIS:**

In an old covered cart like those which disappeared from thoroughfares many years ago along with the clouds of dust that preceded paved roads, the Circus would arrive at the calm stage of a theatre, to the shade of a tree, to a park or to a brittle platform or to the noise of a school.
