"Halcyon is a dazzling theatrical acrobatics troupe that acts and flies with ease. Did they do that? Absolutely! Did they dazzle? You bet!

Aureum commanded the largest season opening attendance the Columbia Theatre has ever experienced. Exceptional production values, tight story, delightful and extraordinarily talented cast, first class graphics and willingness to proactively participate in promotional efforts—a presenter's dream. It is little wonder we're planning on having them in residence in Longview for all of July, 2019.
